MYLES MARSHALL:

We are Grant Thornton. Real people with real ideas and heart, that go beyond the expectations of what you think a professional services career should be. People who are ready to be your teammates and mentors, who can help you make your career much more than a day job. People like me, Myles, a Senior Associate in Arlington. Like Nick, who got his start at Grant Thornton and helps others do the same. Or Jennifer, whose mentors have inspired her to empower others. Like our team in D.C., helping our firm re-imagine the security processes for PSA. Like Judy, a first generation college student. And Josh, who knows that all of his identities are celebrated in our view. People like us. All of us. Like you. We’re more than you’d expect. We’re Grant Thornton.
