

Tax Symphony® ClientSpace Quick Start Guide

Username and Password Email

A system-generated email with your Username and Password is sent the first time you are provided access to any ClientSpace.

You will be prompted to change your password the first time you log in.

ClientSpace Email

A second email will provide a direct link to the engagement-specific ClientSpace in addition to Grant Thornton Interactive.

Grant Thornton Interactive is used to access all your active engagements.

Grant Thornton Login screen

Your **User Name** will always be the email address you provided to your Grant Thornton engagement team

You will be prompted to change your password the first time you log in. The new password will be the same for future ClientSpaces.

Tip

- For your security, your new password must be **8 characters** including:

1 uppercase letter + 1 lowercase letter + 1 number or symbol

- Passwords cannot be reused within 12 months
- User is locked out of site after five incorrect login attempts or 180 days of inactivity
- Contact a Grant Thornton engagement team member for assistance with site access

Tip

Click **Sign me in automatically** if logging on from a private computer and to use Explorer View on the document library ribbon.

Tax Symphony® ClientSpace Quick Start Guide

Accessing Document Library

The Document Library can be accessed from Left Hand Navigation on ClientSpace.

Tip
Opening the Document Library from the Left Hand Navigation may improve performance.

Open the Document Library or any other link in a new window or tab to quickly move back and forth

- **Open in New Tab** - Ctrl + hyperlink or Right click and select Open in New Tab
- **Open in New Window** - Shift + hyperlink or Right click and select Open in New Window

Navigate Up allows you to move quickly between visited locations.

Library Tools

Library ribbon

Library ribbon provides access to the actions that can be performed on the entire library, such as adding an alert.

A Alert Me: Receive an email or mobile notification when items are added or modified in the library.

B Open with Explorer: Open this library as a standard Windows Explorer folder to drag and drop files, create folders, move and copy files, and delete multiple files at once. In order to use Open with Explorer, you must have sign me in automatically checked on the login screen (see page 2 of this Quick Start Card).

! Avoid using Explorer View and My Network Places, except for the one-time/first-time upload of files and documents into the ClientSpace Document Library.

Documents ribbon

Documents ribbon provides access to the actions that can be performed on a specific document or folder.

A Upload Document: Add one or more documents to a library and/or folder.

B Check Out/Check In: Use the Check Out/Check In functionality so that only one person can make changes to a document at a time.

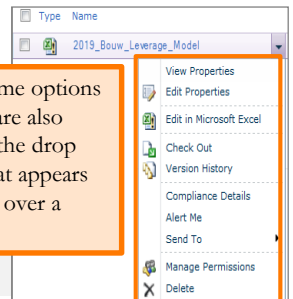

C Version History: Review the version history and restore previous versions.

D Delete Document: Delete document is now available on sites created after 11/16/13 for clients who have been granted read/write/access.

E Alert Me: Receive an email or mobile notification when a specific document or folder is modified.

F Download a Copy: Download a copy of a file to your computer which is not synchronized to the server copy.

Many of the same options on the ribbon are also available from the drop down menu that appears when hovering over a folder or file.
